Professional Summary

High-volume lead generation and appointment setting specialist with a track record of driving B2B outbound campaigns from end-to-end. Experienced in managing inbound replies, conducting cold outreach, and qualifying prospects to turn initial interest into sales-ready leads. Confident communicator adept at speaking directly with business owners, addressing objections on the fly, and booking qualified meetings for sales teams.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound lead generation system, taking full ownership of prospecting, list enrichment, and high-volume email campaign sequencing.
 - Sourced and qualified 500+ B2B prospects, running targeted outreach that generated a consistent 5–10 qualified leads per week.
 - Acted as the primary point of contact for prospect replies, confidently steering conversations with US business owners to turn initial interest into 3 booked discovery meetings.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to ensure campaigns successfully reached the inbox.
 - Wrote and A/B tested cold email sequences and call scripts, continuously refining messaging based on response rates and real-time prospect feedback.
 - Conducted pre-call research to understand prospect pain points and effectively answer unexpected questions without relying strictly on scripts.
