Professional Summary

Proactive and result-oriented B2B Lead Generation Specialist with hands-on experience driving end-to-end outbound prospecting in a fully remote environment. Highly proficient in researching Ideal Customer Profiles (ICPs) and leveraging tools like LinkedIn Sales Navigator and Apollo.io to identify, qualify, and convert leads into scheduled meetings. Brings a strong technical foundation (BSc Multimedia Engineering) and fluent English communication skills to support rapid growth and global outreach efforts.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, then segmented them for targeted outreach.
- Generated a consistent 5–10 qualified leads per week and converted outreach into 3 discovery meetings with US decision-makers.
- Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
- Wrote and A/B tested cold email sequences using AI copywriting tools, iterating on subject lines and CTAs to improve open and reply rates.
- Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
