Professional Summary

Results-driven B2B Sales Manager and Lead Generation specialist with deep expertise in modern outbound methodologies and sales technology (Apollo.io, Salesforce). As the founder of an independent B2B sales practice (CLG Project), I manage the full sales cycle end-to-end, leveraging workflow automation to systematically engage high-value clients and senior stakeholders. Highly organized, resilient, and target-oriented, I am eager to apply my pipeline development skills to drive revenue growth for ASmallWorld's luxury travel and membership ecosystem.

Experience

Founder & B2B Sales Executive — CLG Project

Jul 2025 – Present | Independent Practice, Remote.

- Proactively prospected and generated new B2B business opportunities, owning leads and proposals end-to-end from first contact to close.
- Scaled outbound outreach using advanced tools (Apollo.io, LinkedIn Sales Navigator, Make.com), ensuring a continuous and systematic influx of highly qualified meetings.
- Delivered high-impact sales pitches and discovery calls to C-level executives and business owners, closing deals independently and handling complex objections.
- Maintained an updated CRM (Salesforce, HubSpot) with pristine prospect data, systematically tracking and reporting monthly sales activity and pipeline performance.
- Managed ongoing relationships with corporate clients, identifying partnership opportunities and ensuring smooth deal activations.
- Operated with an entrepreneurial mindset in a fast-paced environment, taking full ownership of revenue targets and outreach frameworks.
