Professional Summary

Self-directed Business Development and Lead Generation Specialist with a proven track record of independently generating pipeline and booking discovery meetings. Experienced in managing end-to-end CRM workflows and connecting B2B clients with specialized agency services. Eager to bring this autonomous, results-oriented outbound approach to AdSTARS.Agency to generate qualified leads and drive new business opportunities in a remote, part-time capacity.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound business development system from scratch, demonstrating the ability to work completely independently in a remote setting.
 - Targeted the Shopify/e-commerce space, analyzing stores for conversion issues and connecting owners with vetted web development and CRO agencies, yielding a strong understanding of agency-client positioning.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, segmenting them for highly targeted outreach.
 - Generated a consistent pipeline of 5–10 qualified leads per week and converted initial outreach into 3 discovery meetings with US decision-makers.
 - Maintained accurate pipeline and opportunity data using CRM tools, ensuring rigorous follow-up and structured lead nurturing.
 - Wrote and A/B tested outbound sequences, iterating on messaging to improve engagement rates and effectively communicate value propositions.
