Professional Summary

Data-driven B2B Lead Generation Specialist highly experienced in top-of-funnel outbound strategy via Apollo.io and LinkedIn. Specializing in researching decision-makers and turning cold prospects into qualified conversations rather than just generating large, untargeted lists. Fluent in English, Spanish, and Russian. Proficient in integrating AI (ChatGPT/Claude) and automation (Make.com) into prospecting workflows to ensure messaging remains highly relevant and conversion rates stay consistently high. Seeking a flexible, part-time contract role to help AuditTruss systematically put its AI-powered platform in front of the right commercial contractors.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end B2B outbound engine, taking full ownership of prospecting lists and targeted outreach sequences via Email and LinkedIn.
 - Leveraged Apollo.io and LinkedIn Sales Navigator to research and verify contact information for over 500+ highly qualified prospective accounts, carefully mapping organizational structures to identify key decision-makers.
 - Iteratively tested messaging and copy across Email and LinkedIn to identify top-performing angles, tracking all responses and pipeline metrics in HubSpot and Salesforce.
 - Managed complex follow-up sequences, successfully breaking through to decision-makers and generating 5–10 highly qualified leads per week.
 - Continuously scheduled 3 high-value discovery meetings weekly, seamlessly handing off qualified pilot/customer conversations to consulting partners.
 - Set up and managed technical email infrastructure (Instantly.ai), optimizing SPF, DKIM, and DMARC settings to guarantee superior deliverability for outbound campaigns.
