Professional Summary

Proactive and results-driven B2B Lead Generation Specialist based in the CET time zone with fluent English, Spanish, and native Russian. Proven track record of independently building rigorous outbound prospecting pipelines, researching target companies, and securing qualified meetings with decision-makers. Eager to bring structured research, pristine CRM hygiene, and data-driven Email and LinkedIn outreach to BBOX AI to generate a steady flow of high-potential B2B conversations.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (CET)

- Built and ran an end-to-end B2B outbound system from scratch targeting US-based companies (Home Services and E-commerce) without external budget or team support.
 - Researched, sourced, and qualified 500+ B2B prospects using structured ICP criteria, data-scraping workflows, and tools like Apollo.io and LinkedIn Sales Navigator.
 - Designed and executed highly targeted cold email and LinkedIn sequences, strictly utilizing A/B testing on subject lines and CTAs to spark meaningful commercial conversations.
 - Generated a consistent 5–10 qualified leads per week and successfully converted outbound efforts into 3 discovery meetings per week with decision-makers.
 - Evaluated prospect fit and held initial conversations remotely, ensuring only fully qualified meetings were handed over to partner agencies.
 - Maintained pristine CRM records (HubSpot, Salesforce) to track all prospect interactions, follow-ups, and pipeline progression.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups (via Instantly.ai) to guarantee high deliverability for all written outreach.
