Professional Summary

Detail-oriented and resilient Business Development Representative based in Europe, specializing in connecting B2B clients with web development and Conversion Rate Optimization (CRO) agencies. Highly skilled at conducting deep prospect research, evaluating digital presence (UX/UI/SEO), and initiating thoughtful, highly personalized outreach to business owners. Adept at qualifying opportunities, booking sales meetings, and meticulously managing follow-up processes within CRM systems as an independent B2B contractor.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed a dedicated B2B prospecting pipeline, specifically focused on identifying friction within e-commerce brands and connecting them with specialized web development and CRO agencies.
 - Conducted deep research on prospective clients, analyzing their current websites, digital marketing setups, and operational friction to ensure outreach was highly relevant and personalized.
 - Crafted highly individualized, non-automated outbound communications via Email and LinkedIn, focusing on quality over volume to generate qualified conversations with key decision-makers.
 - Engaged and qualified prospective clients, identifying their technical pain points and booking 3 high-value discovery meetings for agency partners.
 - Maintained a highly organized CRM environment (HubSpot / Salesforce), ensuring all outreach activity, notes, and follow-ups were accurately logged and managed.
 - Consistently worked through targeted prospect lists, executing disciplined follow-up strategies and handling rejection with resilience and professionalism.
