Professional Summary

Self-motivated and highly independent Sales Specialist with a strong track record of managing leads, communicating effectively with prospects, and conducting engaging discovery meetings. Proven ability to operate autonomously in a fully remote setting while maintaining rigorous CRM organization to track progress and meet targets. Eager to bring this discipline, coachability, and strong work ethic to a 1099 remote sales role at Beacon National Agency.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Operated completely independently in a fully remote, performance-driven setting, building a structured sales pipeline from scratch with strong personal accountability.
 - Generated and managed a consistent pipeline of 5–10 highly qualified leads per week, utilizing CRM tools (HubSpot/Salesforce) to track progress, document interactions, and ensure no lead was dropped.
 - Communicated with prospective clients via online channels and video, successfully securing and conducting 3 discovery meetings with busy US business owners to understand their needs and present solutions.
 - Sourced and qualified 500+ prospects using rigorous criteria, ensuring all communications were clear, professional, and targeted toward identifying genuine interest.
 - Systematically A/B tested outreach messaging and followed structured communication frameworks to maximize efficiency and response rates.
 - Originally targeted US-based Home Services organizations before pivoting to the e-commerce space to identify operational friction and align clients with strategic partners.
