Professional Summary

Proactive and results-driven B2B Lead Generation Specialist based in Spain, fluent in both Spanish and English. Highly experienced in end-to-end outbound prospecting, lead qualification, and booking meetings for sales teams. Adept at managing pipelines and maintaining accurate contact records within Salesforce. Fully equipped to thrive in a remote environment while driving expansion across Spain and LATAM markets.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
- Sourced and qualified 500+ B2B prospects using structured ICP criteria, successfully analyzing potential customer needs through rigorous qualification processes.
- Generated a consistent 5–10 qualified leads per week and effectively handled objections to convert outreach into 3 scheduled discovery meetings.
- Managed and maintained all prospect contacts and tasks within CRM systems (HubSpot / Salesforce).
- Wrote and A/B tested cold email sequences using AI copywriting tools, iterating on subject lines and CTAs to improve open and reply rates.
- Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
