Professional Summary

Results-driven SDR and Appointment Setter with ~1.5 years of hands-on experience in B2B outbound lead generation. As an independent contractor running my own lead gen practice (CLG Project), I specialize in turning cold LinkedIn audiences into qualified sales conversations for agency and B2B clients. Expert in CRM management, natural unscripted messaging, and leveraging automation to ensure flawless follow-ups and pipeline consistency. Ready to invoice immediately and hit the ground running to build healthy pipelines for Blinq's client accounts.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent Contractor, Remote (Spain)

- Managed end-to-end outbound conversations for B2B and agency clients, successfully turning cold audiences into 5-10 qualified discovery calls per week.
- Researched leads thoroughly to identify relevant buying signals and customized outreach angles across LinkedIn, ensuring highly personalized, non-robotic messaging.
- Started natural conversations without relying on rigid scripts, focusing on understanding the lead's situation and moving qualified opportunities toward a call without hard-pitching.
- Maintained 100% CRM accuracy (Salesforce, HubSpot) and generated rigorous End-of-Day (EOD) reports to track reply rates, pipeline velocity, and follow-ups.
- Leveraged workflow automation (Make.com, Python) to optimize lead research and ensure lightning-fast reply speeds, monitoring active conversations seamlessly across weekdays and weekends.
- Constantly applied feedback to refine qualification frameworks, ensuring all booked meetings met strict client criteria and resulted in high show-up rates.

Skills

- **Outbound Execution:** Appointment Setting, LinkedIn Outreach, Lead Qualification, Natural Copywriting, Follow-up Management
- **Operations & Tech:** CRM Accuracy (HubSpot, Salesforce), EOD Reporting, Workflow Automation (Make.com, Apollo.io)
- **Mindset:** Highly Coachable, Detail-Oriented, Consistent, Independent
- **Languages:** English (Fluent/Native level proficiency), Spanish (Fluent), Russian (Native)

Education

BSc, Multimedia Engineering — University of Alicante, 2025–2029 (Expected) *Provides a strong technical foundation for mastering CRM tools, digital outreach platforms, and data reporting structures.*
