---

## Professional Summary

Highly organized and proactive Client Development Representative with strong expertise in researching B2B prospects and executing targeted digital outreach. Experienced in leveraging advanced CRM systems (HubSpot, Salesforce) and digital outreach tools to build long-term client relationships and identify clear business needs. Eager to bring a disciplined, remote-first approach to BuzzTechMedia as an independent contractor, connecting professionals with digital solutions that help them manage their workloads efficiently.

---

## Experience

### Founder & Lead Generation Specialist — CLG Project

*Jul 2025 – Present | Independent practice, remote*

- Built and managed an end-to-end B2B client development pipeline, operating as a fully remote independent contractor to connect business owners with specialized digital solutions (Web Development and CRO).
  - Conducted deep research to identify over 500 prospective clients, analyzing their current digital setup to ensure accurate targeting and relevant messaging.
  - Executed high-volume, highly personalized outbound outreach campaigns via Email and Social Media (LinkedIn), utilizing advanced digital outreach tools like Instantly.ai and Apollo.io.
  - Successfully booked and conducted discovery meetings, focusing on understanding client needs and matching them with the appropriate agency services.
  - Maintained a highly organized CRM environment (HubSpot / Salesforce), tracking all outreach, interactions, and follow-ups to manage multiple leads simultaneously.
  - Collaborated with technical teams to continuously refine messaging and targeting strategies based on active market feedback and A/B testing results.
- 

## Skills
