Professional Summary

Proactive and self-motivated B2B Lead Generation Specialist operating remotely and targeting the US market. Proven expertise in building comprehensive prospect lists, executing multi-channel outbound outreach, and generating measurable commercial opportunities. Fully equipped to bring persistent follow-up, highly organized CRM workflows, and strong relationship-building skills to introduce educational brands and programs to schools, libraries, and retail partners.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects utilizing structured ICP criteria and data-scraping workflows, focusing on identifying key decision-makers in the US market.
 - Executed high-volume cold outreach via personalized email campaigns and LinkedIn Sales Navigator, proactively creating opportunities rather than waiting for inbound leads.
 - Built and managed a strong, measurable sales pipeline, generating a consistent 5–10 qualified leads per week.
 - Presented professional value propositions and successfully converted cold conversations into 3 scheduled discovery meetings with senior stakeholders.
 - Built and ran an end-to-end outbound system from scratch — including prospect sourcing, list enrichment, campaign sequencing, and inbox deliverability management.
 - Maintained highly organized pipelines and tracking systems utilizing CRM platforms (HubSpot / Salesforce), ensuring consistent and professional prospect follow-up.
