Professional Summary

Highly organized and proactive B2B Sales Specialist operating completely remotely within the EU. Proven background in managing sales pipelines, prospecting, and qualifying leads to secure meetings with senior decision-makers. Fully equipped to conduct virtual product presentations and utilize professional CRM systems to track commercial activities. Eager to apply structured outbound sales methodologies and strong communication skills to drive revenue for luxury gastronomy and premium caviar products.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting B2B companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria, successfully identifying key decision-makers and business owners.
 - Proactively managed the outbound sales pipeline, generating a consistent 5–10 qualified leads per week and converting interest into scheduled discovery meetings.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Wrote and A/B tested personalized cold email sequences, constantly iterating on messaging to effectively communicate value propositions and handle initial inquiries.
 - Accurately maintained prospect records, logged commercial interactions, and tracked follow-ups utilizing CRM platforms (HubSpot / Salesforce).
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) to ensure reliable deliverability for all professional communications.
-
