Professional Summary

Independent B2B Sales Development professional with a strong track record of cutting through cluttered markets to secure qualified meetings with C-Suite decision-makers. Experienced in running end-to-end outbound campaigns, managing prospect data, and translating complex value propositions into engaging, high-conversion conversations. Highly organized, autonomous, and ready to adapt rigorous lead generation frameworks to new industries as a 1099 contractor.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote.

- Built and ran an end-to-end outbound system from scratch, managing prospect sourcing, list enrichment, and campaign sequencing with no external team support.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, ensuring highly targeted outreach to executive decision-makers.
 - Wrote and A/B tested cold outreach sequences, continuously iterating on conversational messaging hooks to improve open and reply rates.
 - Generated a consistent 5–10 qualified leads per week and successfully guided outreach conversations into 3 booked discovery meetings with US decision-makers.
 - Maintained strict pipeline hygiene and tracked all interactions and conversions using CRM platforms (HubSpot, Salesforce).
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) to protect deliverability across multiple sending domains.
