Professional Summary

Highly organized and analytical Business Development professional with a proven track record of conducting market research, identifying business opportunities, and managing lead generation workflows. Fluent in English, Spanish, and Russian. Experienced in navigating CRM systems, tracking prospect data, and running digital outreach campaigns (Email and LinkedIn) targeting the Home Services and commercial sectors. Eager to bring my disciplined approach to data management and client acquisition to DS General Contractors as a part-time Business Development Assistant.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Managed end-to-end B2B lead generation operations, conducting extensive market research to identify potential customers and new business opportunities.
- Sourced, qualified, and tracked 500+ target prospects—including businesses within the Home Services and commercial sectors—using intelligence platforms like Apollo.io and LinkedIn Sales Navigator.
- Assisted in customer acquisition by designing and executing highly personalized digital outreach campaigns (Email and LinkedIn), consistently generating 5–10 qualified leads per week.
- Interacted with prospects digitally, responding to inquiries and ensuring smooth follow-ups to schedule 3 initial discovery meetings per week for technical partners.
- Maintained meticulously accurate records in CRM tools (HubSpot, Salesforce), providing structured updates on prospect status, pipeline health, and ongoing initiatives.
- Interpreted campaign data and market trends to continuously refine outreach messaging and support informed business development decisions.
- Configured and managed complex digital email infrastructure (SPF, DKIM, DMARC) via Instantly.ai to ensure reliable correspondence.
