Professional Summary

Bilingual (English/Spanish) Lead Generation Specialist with a strong track record of qualifying high-level professionals and executives in the US market. Highly analytical and consultative, utilizing rigorous qualification criteria to understand prospect needs and secure discovery meetings. Eager to bring this advisory, non-aggressive approach to Dudons to expertly qualify inbound leads and seamlessly guide professionals toward improving their English.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound pipeline from scratch, effectively engaging and qualifying busy professionals and business owners.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria, focusing on understanding unique pain points before initiating outreach.
 - Maintained a strictly consultative, advisory communication style—prioritizing value and problem-solving over high-pressure sales tactics.
 - Generated a consistent 5–10 highly qualified leads per week and converted outreach into 3 discovery meetings with US decision-makers.
 - Wrote and A/B tested outreach messaging, carefully tailoring the value proposition to match the specific needs of executives.
 - Originally targeted US-based Home Services professionals before pivoting to the Shopify/e-commerce space to diagnose workflow friction and align clients with the right solutions.
