Professional Summary

Relentless and proactive B2B Lead Generation Specialist (Commercial Hunter) based in Spain, fluent in both Spanish and English. Proven track record in 100% remote environments, leveraging automated outreach and LinkedIn Sales Navigator to secure meetings with C-Level executives and decision-makers. Eager to combine an aggressive outbound mindset with a strong foundation in tech-driven prospecting to open new enterprise accounts and drive high-impact corporate sales.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting B2B companies

- Wrote and A/B tested cold email sequences using AI copywriting tools (ChatGPT), iterating on subject lines and CTAs to optimize automated outreach campaigns.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria, successfully identifying and targeting senior decision-makers.
 - Executed high-volume, multi-channel outreach (LinkedIn Sales Navigator, Automated Email), generating a consistent 5–10 qualified leads per week.
 - Acted as an aggressive "door opener," converting cold outreach into 3 scheduled discovery meetings directly with business owners.
 - Managed the commercial funnel utilizing professional CRM platforms (HubSpot / Salesforce), ensuring all leads were tracked and nurtured.
