Professional Summary

Proactive and agile Sales Development Representative based in Spain, specializing in B2B SaaS lead generation and opportunity qualification. Highly skilled in leveraging AI and automation tools to identify business needs, optimize outbound messaging, and generate qualified meetings for Account Executives. Strong expertise in maintaining meticulous HubSpot CRM records and collaborating with sales teams to refine commercial processes. Eager to drive pipeline growth for a rapidly scaling Fintech solution focused on digital transformation.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed a highly structured end-to-end B2B outbound pipeline, taking full ownership of prospecting and qualifying commercial opportunities.
- Sourced and segmented over 500 decision-makers, specifically focusing on identifying operational challenges and presenting clear B2B SaaS and digital service value propositions.
- Extensively utilized AI tools (Claude, ChatGPT) and automation platforms (Make.com, Instantly.ai) to personalize outreach messaging at scale, resulting in a consistent 5–10 highly qualified leads per week.
- Continuously refined commercial arguments and messaging through rigorous A/B testing, securing 3 critical discovery meetings with business owners.
- Logged all commercial interactions, lead statuses, and follow-up tasks accurately within HubSpot, ensuring a seamless transition of qualified opportunities.
- Set up scalable outbound communication infrastructure (sender domains, SPF, DKIM, DMARC) to maximize digital reach and engagement with target firms.
