Professional Summary

Results-driven Sales Associate with a strong background in B2B lead generation and marketing services. Proven ability to independently prospect, manage CRM pipelines, and cultivate new business opportunities using highly structured, data-driven digital outreach strategies. Highly organized and adept at maintaining rigorous follow-ups and presenting marketing value propositions to decision-makers in a remote environment.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote.

- Identified and cultivated new business opportunities for B2B marketing and lead generation services, sourcing over 500 targeted prospects.
 - Conducted high-volume outbound outreach via structured email and LinkedIn campaigns, successfully generating a consistent pipeline of 5–10 qualified leads per week.
 - Managed the complete sales pipeline, meticulously tracking prospect activity, results, and follow-up tasks within CRM systems (Salesforce, Apollo.io, HubSpot).
 - Presented marketing service value propositions clearly during virtual meetings, successfully booking and running discovery calls with US executives.
 - Supported campaign planning by utilizing A/B testing, data-driven insights, and continuous market feedback to optimize outreach strategies.
 - Maintained a professional remote work setup and leveraged collaborative tools to organize priorities, manage multiple prospects, and independently exceed sales activity targets.
 - Configured underlying outbound infrastructure (SPF, DKIM, DMARC) to guarantee deliverability and ensure reliable client communications.
