Professional Summary

Highly driven and coachable Business Development Representative (BDR) based in Spain, specializing in multi-channel prospecting for B2B SaaS companies. Fully fluent in English and highly experienced in targeting decision-makers within the US market. Expert in qualifying complex SaaS opportunities, managing pipelines within HubSpot and Salesforce, and generating high-value discovery meetings. Eager to leverage a data-driven outbound approach to drive FitnessKPI's international expansion into the US and Australian markets.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Engineered an end-to-end B2B outbound lead generation pipeline targeting US business owners and decision-makers, successfully opening new international opportunities.
 - Sourced and qualified 500+ B2B prospects, explicitly evaluating their technical needs and business friction to ensure alignment with B2B SaaS and digital service offerings.
 - Designed and launched personalized, multi-channel outreach campaigns via Email and LinkedIn (using Apollo.io and Instantly.ai), consistently generating 5–10 highly qualified leads per week.
 - Secured and conducted discovery meetings with US decision-makers, asking strategic qualification questions to prepare high-value demos for Account Executives.
 - Maintained rigorous control of all commercial activity and the sales funnel using HubSpot and Salesforce, tracking metrics to optimize conversion rates.
 - Collaborated on the continuous improvement of outreach scripts and targeting criteria, taking a data-driven approach to refine outbound messaging and maximize engagement.
-
