Professional Summary

Highly motivated and independent Sales Development Representative with a strong track record of identifying potential B2B clients, qualifying leads, and setting up discovery meetings. Fully equipped to operate on a remote, contract basis with extensive experience managing outbound outreach and maintaining accurate records in CRM tools like HubSpot and Salesforce. Eager to bring this structured, pipeline-driven approach to support a global technology leader in generating highly qualified sales opportunities.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound lead generation system from scratch, operating as an independent contractor in a fully remote environment.
 - Researched and identified over 500 potential B2B clients in target markets, segmenting prospects based on predefined criteria to ensure strict alignment with ICP needs.
 - Conducted consistent outbound outreach via email campaigns and LinkedIn, successfully generating a pipeline of 5–10 highly qualified leads per week.
 - Scheduled and confirmed qualified discovery meetings with busy US business owners and decision-makers, setting the stage for the next phase of the sales cycle.
 - Maintained accurate, up-to-date records of all outreach activities, communications, and lead statuses using HubSpot and Salesforce to track funnel conversion accurately.
 - Set up and maintained professional communication infrastructure (sender domains, SPF, DKIM, DMARC) to ensure reliable deliverability and professional engagement.
 - Originally targeted US-based Home Services organizations before pivoting to the e-commerce space to identify technical friction and align clients with strategic partners.
