Professional Summary

Self-motivated and independent B2B Lead Generation Specialist with excellent spoken English skills, operating fully remotely in Spain. Highly comfortable building sales pipelines from scratch and working autonomously on a flexible, commission-only basis. Proven track record of identifying decision-makers, conducting multi-channel outbound prospecting (Email, LinkedIn), and booking discovery meetings. Eager to bring a tech-forward, proactive approach to growing Hostlab's client base in the short-term rental SaaS market.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Wrote and A/B tested cold email sequences using AI copywriting tools (ChatGPT), iterating on subject lines and CTAs to improve open and reply rates.
- Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
- Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows to identify high-value decision-makers.
- Proactively managed the sales pipeline, generating a consistent 5–10 qualified leads per week and converting outreach into 3 scheduled discovery meetings/demos.
- Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
