Professional Summary

Driven, structured, and goal-oriented B2B Lead Generation Specialist with strong English communication skills and full EU work authorization. Proven track record of taking high ownership in identifying potential clients, qualifying leads, and booking discovery meetings. Highly experienced in managing outbound pipeline within professional CRM systems (HubSpot, Salesforce). Eager to bring resilience and a competitive edge to a fast-paced, hybrid SDR/BDR role in Berlin.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting B2B companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria, assessing business needs to ensure high-quality lead generation.
 - Executed continuous outbound activities (cold email, LinkedIn), successfully acting as the first point of contact for potential customers.
 - Generated a consistent 5–10 qualified leads per week and converted commercial interest into 3 scheduled discovery meetings.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox infrastructure.
 - Managed and maintained all prospect data and pipeline stages within CRM systems (HubSpot / Salesforce), ensuring rigorous tracking and follow-up.
 - Continuously improved outreach strategies and messaging by rigorously A/B testing subject lines and CTAs to increase conversion rates.
