Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting B2B companies

- Researched and built highly targeted prospect lists containing 500+ B2B contacts, utilizing structured ICP criteria and data-scraping workflows to identify key decision-makers.
 - Executed high-volume cold outreach campaigns across email and LinkedIn Sales Navigator, initiating professional conversations and presenting commercial value propositions.
 - Proactively managed the sales pipeline, generating a consistent 5–10 qualified leads per week and scheduling discovery meetings with senior stakeholders.
 - Maintained highly accurate tracking of contacted agencies, lead status, and pipeline progress utilizing CRM platforms (HubSpot / Salesforce).
 - Built and ran an end-to-end outbound system from scratch, managing prospect sourcing, list enrichment, personalized campaign sequencing, and inbox deliverability.
 - Consistently utilized persistent, professional follow-up strategies and A/B tested outreach messaging to maximize response rates.
