Professional Summary

Highly professional and enthusiastic B2B Sales Development Representative operating remotely. Proven track record of aggressive outbound prospecting, generating qualified leads, and scheduling discovery meetings for closing teams. Deeply interested in AI, machine learning, and cloud infrastructure. Eager to bring strong CRM discipline (Salesforce), an aggressive "hunter" mindset, and technical lead generation skills to accelerate the sales pipeline at Mirantis.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting B2B companies

- Wrote and A/B tested cold email sequences using AI copywriting tools (ChatGPT), iterating on subject lines and CTAs to optimize high-velocity outbound outreach.
 - Sourced and qualified 500+ B2B prospects utilizing structured ICP criteria, successfully identifying and targeting senior decision-makers in complex markets.
 - Executed aggressive multi-channel outbound campaigns (Cold Email, LinkedIn Sales Navigator), proactively generating a consistent 5–10 qualified leads per week.
 - Acted as a relentless "door opener", successfully scheduling 3 discovery meetings and solution demos for senior stakeholders.
 - Managed the outbound leads process and maintained highly accurate daily activity and prospect records within professional CRM systems (Salesforce / HubSpot).
 - Built and ran an end-to-end outbound infrastructure from scratch, including list enrichment, campaign sequencing, and inbox deliverability management.
-
