Professional Summary

Ambitious B2B Sales Professional with a proven track record of full-cycle sales and pipeline generation. Currently managing an independent B2B lead generation practice (CLG Project) where I own the entire sales motion—from highly targeted outbound prospecting to consultative discovery, negotiation, and closing. Fluent in Spanish and English, I leverage modern sales automation and deep CRM discipline to engage C-level executives. Equipped with a proactive, entrepreneurial mindset, I am ready to drive expansion across the Spanish market for a high-growth technology company.

Experience

Founder & B2B Sales Executive — CLG Project

Jul 2025 – Present | Independent Practice, Remote.

- Owned the full B2B sales cycle for my own agency, driving new business opportunities across the Spanish and European markets.
 - Engaged senior stakeholders and C-level decision-makers through tailored commercial proposals and consultative discovery meetings.
 - Generated a consistent pipeline of highly qualified mid-market and enterprise leads utilizing advanced outbound methodologies and automation (Make.com, Python), ensuring a continuous flow of new business.
 - Managed complex negotiations and closed deals independently, operating with significant autonomy and an entrepreneurial mindset to exceed revenue goals.
 - Maintained rigorous CRM hygiene (Salesforce, HubSpot) to track pipeline data, forecast accurately, and ensure flawless follow-up.
 - Acted as a strategic partner to my clients, identifying operational pain points and delivering solutions that directly improved their business performance.
-
