Professional Summary

Proactive and results-driven B2B Lead Generation Specialist (Setter) based in Spain, fluent in both Spanish and English. Proven expertise in proactively identifying, qualifying, and contacting leads to generate commercial opportunities and schedule meetings for sales teams. Highly organized and autonomous, with strong experience in utilizing digital prospecting platforms and CRM tools (HubSpot, Salesforce) to execute and optimize outbound strategies in a fully remote environment.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria and digital prospecting workflows, ensuring highly targeted outreach.
 - Proactively contacted leads through multi-channel digital campaigns (Cold Email, LinkedIn), effectively qualifying commercial opportunities.
 - Generated a consistent 5–10 qualified leads per week and scheduled 3 discovery meetings directly with senior decision-makers.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Accurately managed prospect lists, logged activity, and tracked follow-ups utilizing CRM platforms (HubSpot / Salesforce).
 - Constantly analyzed data and A/B tested outreach scripts to improve open rates, response rates, and overall prospecting processes.
-
