Professional Summary

Data-driven and tech-savvy Business Development Representative fluent in English, Spanish, and Russian. Highly experienced in selling professional services to B2B brands and utilizing advanced AI tools to build outbound pipelines from scratch. Proven track record of leveraging HubSpot, digital prospecting (Email and LinkedIn), and process automation to generate qualified commercial conversations with marketing and growth decision-makers. Eager to bring my disciplined, AI-powered outbound engine to expand your digital marketing agency's Paid Social footprint across Europe.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (Europe)

- Built and managed an independent B2B lead generation practice, directly selling specialized services to brands, E-commerce, and Home Services decision-makers.
- Utilized AI tools (ChatGPT/Claude, custom prompts) and automation (Make.com, Python) to build target-account lists from scratch and extract high-value insights, seamlessly enriching a pipeline of 500+ target prospects.
- Built, tested, and iterated multi-channel outbound sequences (Email and LinkedIn), crafting highly personalized messaging to generate qualified conversations.
- Consistently generated 5–10 highly qualified leads per week and converted digital outreach into 3 initial discovery meetings per week.
- Evaluated prospects' current digital setups, budgets, and commercial potential before bringing in technical specialists and agency partners for deeper conversations.
- Organized and scaled all outbound activity using HubSpot and Salesforce, maintaining meticulous records of decision-making processes and tracking campaign performance.
- Configured and maintained sender domain health (SPF, DKIM, DMARC) via Instantly.ai, guaranteeing top-tier deliverability for all digital campaigns.
