Professional Summary

Results-oriented and highly proactive B2B Lead Generation Specialist (Contract/Freelance) with extensive experience targeting US-based companies. Deeply accustomed to high-activity, commission-only structures and autonomous remote work. Proven expertise in qualifying leads, maintaining rigorous CRM workflows, and scheduling discovery meetings. Eager to bring relentless follow-through, strong communication skills, and a tech-forward mindset to high-volume outbound prospecting at Paladin Business.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Wrote and A/B tested cold email sequences using AI copywriting tools (ChatGPT), iterating on subject lines and CTAs to optimize high-activity outbound outreach.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria, focusing exclusively on targeting US-based businesses and decision-makers.
 - Proactively managed the sales pipeline, generating a consistent 5–10 qualified leads per week and converting interest into 3 scheduled discovery meetings.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Maintained accurate, up-to-date records of all outreach and pipeline activity utilizing professional CRM platforms (HubSpot / Salesforce).
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
