Professional Summary

Results-driven Sales Development Representative with a proven track record in high-volume B2B lead generation. Expert in researching target markets, identifying decision-makers, and managing complete outbound prospecting cycles to independently build pipeline. Highly organized and adept at maintaining rigorous CRM hygiene to track performance metrics and secure qualified meetings in a remote environment.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote.

- Engaged prospective clients through structured, high-volume online outreach (Email and LinkedIn sequences), successfully generating 5–10 qualified leads per week.
 - Researched target markets and built custom data-extraction workflows (Python) to identify and qualify 500+ new B2B business opportunities.
 - Managed and updated CRM records meticulously (Salesforce, Apollo.io, HubSpot), ensuring accurate tracking of all prospect interactions and sales activity.
 - Followed up consistently with leads and managed the complete top-of-funnel pipeline, effectively setting up 3 discovery meetings with US executives.
 - Tailored messaging to client needs by conducting deep account research and performing continuous A/B testing on outbound campaigns.
 - Supported business development by analyzing outreach performance metrics and refining sales processes to meet activity and pipeline goals.
 - Configured underlying outbound infrastructure (SPF, DKIM, DMARC) to guarantee deliverability and maintain professional communication standards.
-
