Professional Summary

Highly ambitious and proactive junior B2B Lead Generation Specialist based in Spain, fluent in both Spanish and English. Armed with practical experience in prospecting, lead qualification, and booking discovery meetings, I am eager to transition my outbound skills into high-volume cold calling. Seeking a part-time SDR role where I can combine a strong commercial attitude and willingness to learn with a flexible schedule that complements my university studies.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria, independently identifying decision-makers and business needs.
 - Generated a consistent 5–10 qualified leads per week and successfully converted initial interest into 3 scheduled discovery meetings for senior stakeholders.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Wrote and A/B tested cold outreach sequences, learning how to effectively capture attention, handle objections, and generate commercial interest.
 - Managed and maintained all prospect contacts and tasks within CRM systems (HubSpot / Salesforce).
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
