Professional Summary

Proactive and results-oriented B2B Business Development Representative with a proven track record of independently building outbound pipelines and opening doors with senior corporate decision-makers. Highly fluent in English with extensive experience researching target accounts, creating personalized digital campaigns (Email/LinkedIn), and rigorously managing sales activities in HubSpot. Eager to bring my disciplined, top-of-the-funnel prospecting expertise to RedNovius to generate qualified commercial opportunities within the global pharmaceutical industry.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end B2B outbound sales practice from the ground up, identifying new commercial opportunities and engaging senior decision-makers in international markets.
 - Conducted deep account research to source and qualify 500+ B2B prospects, utilizing precise ICP criteria and intelligence tools like Apollo.io and LinkedIn Sales Navigator.
 - Designed, tested, and executed highly personalized outbound campaigns across Email and LinkedIn, leveraging A/B testing to continuously improve messaging performance.
 - Consistently generated 5–10 highly qualified leads per week and successfully converted digital outreach into 3 initial discovery meetings per week.
 - Conducted initial discovery and qualification conversations remotely to understand prospects' challenges and objectives before facilitating handovers to technical partners.
 - Managed all prospecting activity, pipeline stages, and follow-ups intelligently using HubSpot and Salesforce, ensuring the highest level of CRM hygiene.
 - Configured and maintained sender domain health (SPF, DKIM, DMARC) via Instantly.ai to ensure professional, scalable communication with international clients.
-
