Professional Summary

Results-driven Business Development Representative (BDR) with ~1.5 years of experience building predictable outbound pipelines for B2B SaaS companies. Based in Spain and fluent in English and Spanish, I specialize in multichannel prospecting (Email, LinkedIn, Calls) targeting European decision-makers. As an international contractor myself running an independent lead generation practice (CLG Project), I deeply understand RemotePass's value proposition. Equipped with advanced CRM discipline and AI-driven automation (Make.com, Python) to personalize outreach at scale, I am eager to help RemotePass empower global hiring.

Experience

Founder & B2B Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent Practice, Remote (Spain)

- Conducted thorough market research and built highly reliable pipelines of target accounts across the EU market, generating a consistent 5-10 qualified discovery calls per week.
 - Engaged with C-level prospects and HR leaders through a multichannel outbound approach (Email, LinkedIn, Phone), creating genuine interest in B2B SaaS solutions.
 - Adopted a consultative discovery approach during qualification calls, uncovering operational pain points, navigating objections gracefully, and reframing challenges into partnerships.
 - Maintained high-volume outbound activity by leveraging workflow automation (Make.com, Python) and Apollo.io to hyper-personalize messaging without sacrificing scale or CRM accuracy.
 - Coordinated qualified appointments for Account Executives, maintaining meticulous records of lead interactions, pipeline progression, and daily outreach targets in HubSpot and Salesforce.
 - Continually adapted outreach strategies based on market feedback and A/B test data to maximize conversion rates across different European segments.
-
