Professional Summary

Highly motivated B2B Lead Generation Specialist with a strong "hunter" mentality, operating in a fully remote and flexible setup. Proven ability to independently identify target companies, build personalized outreach campaigns, and generate qualified meetings with senior decision-makers. Seeking a flexible, part-time role to leverage deep expertise in LinkedIn and email prospecting to open doors and create sales opportunities from cold prospects.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, successfully identifying the right senior decision-makers.
 - Generated a consistent 5–10 qualified leads per week and converted outreach into 3 scheduled discovery meetings for senior stakeholders.
 - Wrote and A/B tested personalized cold email sequences, rigorously testing messaging and iterating on subject lines and CTAs to continually improve open and reply rates.
 - Built and ran an end-to-end outbound system from scratch — prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
