Professional Summary

Proactive Business Development Representative and independent B2B contractor specializing in SaaS pipeline generation and multi-channel outreach. Highly skilled at identifying IT and operational friction points, securing discovery calls, and driving B2B pilot programs. Expert in leveraging tools like Apollo.io, Instantly.ai, and LinkedIn Sales Navigator to build repeatable, scalable outbound sales processes from scratch. Fully equipped to manage part-time remote contract engagements and eager to help ReturnIT.Help secure early-stage pilot customers.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end B2B outbound lead generation pipeline from scratch, acting as an independent contractor to connect business owners with specialized digital services.
 - Researched and identified over 500 decision-makers, specifically filtering for companies experiencing operational bottlenecks and manual workflow friction.
 - Designed and launched targeted outbound prospecting sequences (Email and LinkedIn) utilizing Apollo.io, Instantly.ai, and Make.com to consistently generate 5–10 highly qualified leads per week.
 - Conducted meaningful discovery conversations with business owners, identifying their operational pain points and communicating business value rather than relying on scripted pitches.
 - Secured qualified discovery meetings and drove early-stage commercial engagement for agency partners.
 - Maintained strict pipeline accuracy and organized follow-ups using CRM systems (HubSpot / Salesforce), ensuring no opportunities slipped through the cracks.
 - Collaborated directly with technical founders to refine messaging, targeting, and go-to-market strategies based on active market feedback.
