Professional Summary

Data-oriented B2B outbound sales professional based in Spain, fully bilingual in Spanish and English. Highly experienced in building and managing end-to-end sales pipelines, from initial prospect sourcing to conducting discovery meetings and closing deals. Expert in leveraging modern CRM systems and executing highly personalized outreach across Email and LinkedIn. Eager to bring a tech-forward, solution-based selling approach to drive new customer acquisition for Revolut Business in the Iberia market.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (Spain)

- Built and managed an end-to-end B2B sales pipeline, successfully acquiring new clients for specialized digital agency services (Web Development and CRO).
 - Engineered a robust, data-driven lead-sourcing strategy using tools like Apollo.io and LinkedIn Sales Navigator to identify decision-makers across key verticals.
 - Executed high-volume, highly personalized outbound campaigns via Email and LinkedIn (using Instantly.ai), generating a consistent flow of 5–10 highly qualified sales meetings per week.
 - Owned the full sales cycle: from initial prospecting and cold outreach to conducting discovery calls, presenting tailored solutions, and successfully closing deals.
 - Maintained impeccable pipeline hygiene and managed daily outreach activities entirely within CRM systems (HubSpot / Salesforce), ensuring accurate forecasting and timely follow-ups.
 - Acted autonomously to balance time between generating new pipeline, nurturing active prospects, and optimizing outreach messaging through A/B testing and performance data.
