Professional Summary

Highly organized and resourceful B2B Lead Generation Specialist with a proven track record of researching target accounts and executing targeted digital outreach (Email and LinkedIn). Fluent in English, Spanish, and Russian. Experienced in leveraging Apollo.io, LinkedIn Sales Navigator, and CRM platforms to consistently deliver highly qualified leads without relying on mass messaging. Currently pursuing a degree with a highly flexible remote schedule, making me ideally positioned to help Social Network Studios identify decision-makers and seamlessly transition them into productive conversations.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an independent B2B lead generation practice, specializing in researching target markets, identifying qualified prospective clients, and uncovering key decision-makers.
- Sourced and enriched targeted lead lists of 500+ B2B prospects using advanced filtering in Apollo.io and LinkedIn Sales Navigator.
- Conducted highly personalized, consistent outbound outreach efforts across Email and LinkedIn, consciously avoiding generic mass messaging to ensure high response rates.
- Generated 5–10 highly qualified leads per week and successfully scheduled 3 discovery meetings weekly, consistently exceeding standard baseline targets.
- Tracked all outreach, responses, and pipeline opportunities meticulously within CRM platforms (HubSpot, Salesforce), ensuring precise follow-ups and data accuracy.
- Managed the top-of-funnel workflow independently, moving interested prospects into active conversations before handing them over to core consulting teams.
- Configured and maintained sender domain health (SPF, DKIM, DMARC) via Instantly.ai, guaranteeing reliable email deliverability for all campaigns.

Skills

- **Lead Generation:** Target List Building, Cold Outreach (Email/LinkedIn), Prospect Identification, Lead Qualification, CRM Tracking
- **Sales Tech Stack:** Apollo.io, LinkedIn Sales Navigator, HubSpot, Salesforce, Instantly.ai
- **Digital Research:** Company profiling, decision-maker mapping, Social Media targeting, Python (basic scraping & automation)
- **Languages:** English (Fluent), Spanish (Fluent), Russian (Native)

Education

BSc, Multimedia Engineering — University of Alicante, 2025–2029 (Expected) *Flexible/part-time schedule structured to perfectly accommodate remote part-time professional work. Provides advanced digital literacy, structured research methodologies, and strong organizational skills for modern business development.*
