Professional Summary

Proactive and results-driven Lead Generation Specialist operating as an independent professional. Highly experienced in building outbound prospecting systems specifically targeting the Home Services industry (plumbers, roofers, HVAC). Adept at identifying self-employed professionals, generating high-quality leads, and working fully autonomously to drive commercial results. Fully set up for independent, commission-based operations with flexible availability across global timezones.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects within the Home Services sector (plumbers, roofers, HVAC) using structured ICP criteria and data-scraping workflows.
- Built and ran an end-to-end outbound system from scratch—prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure—with no team or budget support.
- Generated a consistent 5–10 qualified leads per week and converted outreach into 3 discovery meetings with decision-makers.
- Wrote and A/B tested cold email sequences using AI copywriting tools, iterating on subject lines and CTAs to improve open and reply rates.
- Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
