Professional Summary

Self-motivated and dependable Sales & Lead Generation Specialist with a strong track record of independently managing sales processes and communicating effectively with decision-makers. Fluent in English and fully authorized to work in Spain as a contractor. Adept at following structured processes, qualifying leads, and building rapport to guide prospects toward a successful conversion. Eager to bring this disciplined approach to the remote sales team at Secure Legacy Wills.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end sales outreach system from scratch, demonstrating the ability to work completely independently and meet performance goals without supervision.
 - Sourced and rigorously qualified over 500 B2B prospects using structured criteria, segmenting them for highly targeted communication.
 - Generated a consistent pipeline of 5–10 qualified leads per week and successfully converted initial outreach into 3 discovery meetings with US buyers.
 - Wrote and continuously A/B tested sales messaging and outreach scripts, optimizing communication to build rapport and increase response rates.
 - Set up and maintained robust infrastructure (sender domains, SPF, DKIM, DMARC) to ensure professional and reliable email communication.
 - Originally targeted US-based Home Services companies before pivoting to the Shopify/e-commerce space to diagnose conversion friction and connect owners with trusted partners.
