To: Grace Kieran & the Hiring Team

Company: Secure Legacy Wills

Role: Remote Sales Representative (English Speaking)

Dear Grace,

As a highly self-motivated Sales and Lead Generation Specialist fluent in English and based in Spain, I was immediately drawn to the Remote Sales Representative opportunity at Secure Legacy Wills. My background is rooted in independent, performance-driven environments, making me an excellent fit for your self-employed remote structure.

Operating entirely autonomously, I recently built an end-to-end sales prospecting system from scratch, sourcing and qualifying over 500 prospects. By strictly following structured messaging and rigorous qualification processes, I generated a consistent 5–10 qualified leads per week and secured 3 discovery meetings with busy US decision-makers. While my experience has focused heavily on generating my own leads, the core skills remain exactly the same: building rapid rapport, clearly communicating value, and effectively guiding interested prospects through to a successful conversion.

I am highly dependable, comfortable working independently full-time, and fully authorized to work in Spain. I would welcome the opportunity to discuss how my strong communication skills and disciplined sales habits can contribute to the success of the Secure Legacy Wills team.

Sincerely,

Daniil Kotelevets
