Professional Summary

Resourceful and results-driven Business Development Representative operating remotely from the EU. Highly experienced in building sales pipelines by executing strategic outbound campaigns and qualifying potential customers based on Ideal Customer Profiles (ICP). Meticulously organized in tracking activities within CRM platforms (HubSpot, Salesforce). Eager to apply a deep passion for technology and a collaborative, coachable mindset to generate quality meetings and drive software sales at Seeq Corporation.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US & International markets

- Researched target accounts and sourced 500+ B2B prospects, utilizing structured ICP criteria to identify organizations with strong potential for business solutions.
 - Created and executed strategic multi-channel outbound campaigns (Cold Email, LinkedIn Sales Navigator), successfully managing and nurturing quality leads.
 - Qualified potential customers by formulating targeted questions to gather information about their business strategy, challenges, and current technology workflows.
 - Successfully set up 3 discovery meetings for senior stakeholders by connecting identified business needs to concrete commercial solutions.
 - Tracked all daily activities, lead statuses, contacts, and account information meticulously within CRM systems (HubSpot / Salesforce).
 - Built and ran an end-to-end outbound infrastructure from scratch, including list enrichment, campaign sequencing, and sender domain health management.
-
