Professional Summary

Data-driven and highly organized B2B Lead Generation Specialist with a proven track record of researching target markets, building precise prospect lists, and scheduling qualified discovery calls for professional services teams. Fluent in English, Spanish, and Russian. Experienced in designing scalable digital outbound workflows (Email and LinkedIn) and systematically tracking lead activity in CRM platforms to ensure a robust pipeline. Eager to bring my proactive outreach and account sales strategies to Seven Hundred Consulting to secure high-value meetings with organizational leaders and fuel your firm's sustained growth.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (Europe/US markets)

- Operated an independent B2B lead generation consultancy, partnering with professional services firms and technical agencies to build and execute Account Sales Strategies from the ground up.
- Conducted deep research on target markets and organizations, sourcing, qualifying, and nurturing 500+ B2B prospects utilizing intelligence platforms like Apollo.io and LinkedIn Sales Navigator.
- Built, tested, and iterated multi-channel digital outbound outreach sequences (Email and LinkedIn) to effectively communicate value propositions and drive interest among senior decision-makers.
- Consistently generated 5–10 highly qualified leads per week and successfully converted digital outreach into 3 initial discovery meetings per week.
- Managed the top-of-the-funnel qualification process, scheduling qualified discovery calls and handing off contextualized briefs to core consulting and technical partners.
- Systematically tracked all lead activity, communications, and pipeline stages in CRM platforms (HubSpot, Salesforce) and analyzed lead performance data to continuously refine messaging.
- Configured and managed sender domain health (SPF, DKIM, DMARC) via Instantly.ai, ensuring top-tier deliverability for all digital outreach campaigns.
