Professional Summary

Self-directed Lead Generation Specialist and Appointment Setter with a proven track record of independently identifying prospect interest and scheduling qualified discovery meetings. Highly organized and experienced in managing end-to-end outreach workflows, documenting accurate prospect records in CRM systems, and ensuring consistent follow-through. Eager to bring this disciplined, autonomous approach to Talentoma's remote appointment setting team.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed a fully remote, end-to-end appointment setting system from scratch, working completely independently to connect with prospective B2B clients.
 - Sourced and qualified 500+ B2B prospects, identifying initial interest and carefully segmenting them for targeted outreach campaigns.
 - Scheduled and confirmed qualified appointments, successfully generating a consistent pipeline of 5–10 qualified leads per week and securing 3 discovery meetings with US decision-makers.
 - Documented all outreach conversations, engagement metrics, and prospect records accurately within CRM platforms to maintain rigorous follow-through.
 - Set up and maintained professional communication infrastructure (sender domains, SPF, DKIM, DMARC) to ensure high deliverability and reliable prospect engagement.
 - Originally targeted US-based Home Services companies before pivoting to the Shopify/e-commerce space to diagnose workflow friction and align clients with strategic partners.
