Professional Summary

Highly organized and self-motivated Lead Generation Specialist with a strong track record of independently managing sales pipelines, following up with prospects, and scheduling client conversations. Fully comfortable operating in a remote, performance-driven independent contractor structure. Eager to bring a disciplined approach to CRM management and prospect communication to The Hirsh Agency to efficiently qualify leads and grow within the financial protection industry.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Operated completely self-directed in a remote, performance-based independent contractor model, building and managing a structured pipeline from scratch.
 - Sourced and qualified 500+ prospects, utilizing strong organizational skills to identify needs and ensure no potential lead was lost in the follow-up process.
 - Connected with decision-makers via online channels, successfully scheduling and managing 3 critical discovery conversations to outline next steps.
 - Maintained a highly organized CRM (HubSpot/Salesforce) to track lead progress, schedule follow-ups, and measure the effectiveness of communication strategies.
 - Systematically A/B tested outreach messaging to optimize response rates and efficiently move prospects through the pipeline.
 - Originally targeted US-based Home Services organizations before pivoting to the e-commerce space to identify operational friction and present tailored solutions.
-
