Professional Summary

Driven and highly organized B2B Lead Generation Specialist based in Spain, fluent in both English and Spanish. Proven track record of operating autonomously in a remote-first environment to conduct multi-channel outbound prospecting and qualify high-potential partners. Combines strong B2B sales acumen with a technical foundation, ready to take full ownership of high-stakes goals and drive seller acquisition in a fast-paced, high-velocity environment.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote, targeting US-based companies

- Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, ensuring strong platform fit and growth potential.
 - Led initial outreach to understand business needs and successfully converted engagement into 3 discovery meetings (pitches) with senior decision-makers.
 - Built and ran an end-to-end outbound system from scratch—prospect sourcing, list enrichment, campaign sequencing, and inbox/domain infrastructure.
 - Proactively conducted multi-channel outbound prospecting (email, LinkedIn), iterating on messaging to effectively communicate value propositions.
 - Generated a consistent 5–10 qualified leads per week, operating completely autonomously and meeting strict performance targets.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability across multiple sending domains.
