Professional Summary

Self-directed B2B Lead Generation Specialist operating as an independent contractor (autónomo) in Spain. Highly experienced in building outbound prospecting pipelines from scratch and generating real consultative sales opportunities. Adept at rigorous market research, continuous follow-ups, and securing discovery meetings with key decision-makers. Eager to leverage this autonomous outbound engine to open new institutional opportunities and expand Versedia's national presence.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound pipeline from scratch, demonstrating high initiative and the ability to operate completely autonomously with no minimum dedication or budget support.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria, focusing deeply on understanding specific pain points to drive consultative B2B sales conversations.
 - Generated a consistent pipeline of 5–10 highly qualified leads per week and converted initial prospecting into 3 discovery meetings with business owners.
 - Wrote and continuously A/B tested outreach messaging, carefully tailoring the value proposition to match the unique needs of different institutional clients.
 - Maintained strict and systematic follow-up cadences using CRM tools, ensuring no real opportunity was lost due to lack of constancy.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to protect deliverability and represent the brand professionally.
