Role: Appointment Setter para ONG

Dear Raúl,

As an independent Lead Generation Specialist based in Spain, I was drawn to Visual Lives' mission to amplify social and environmental realities. Operating as an *autónomo*, I specialize in breaking the ice with organizations through genuine, non-aggressive outreach, and I would love to help you build collaborative partnerships with other NGOs.

You asked about my experience securing meetings: working completely independently, I recently built an outbound pipeline from scratch, sourcing and qualifying over 500 prospects. By focusing on empathetic and highly targeted outreach via email and LinkedIn, I generated a consistent 5–10 qualified leads per week and secured 3 discovery meetings with busy decision-makers. My objective is never to "hard sell," but to initiate meaningful conversations.

Regarding collaboration terms, I am fully equipped to invoice as a contractor from Spain. Your proposed structure aligns perfectly with my flexible availability: a small fixed base for the hours dedicated weekly, plus a bonus for every quality meeting successfully scheduled.

I would welcome a brief chat to learn more about the NGOs you want to connect with and how we can effectively open those doors.

Sincerely,

Daniil Kotelevets
