Alicante, Spain | +34 698 996 086 | dkotelevets2007@gmail.com | [linkedin.com/in/daniil-kotelevets-1a470a296](https://www.linkedin.com/in/daniil-kotelevets-1a470a296)

Professional Summary

Detail-oriented Sales Specialist with a strong foundation in B2B customer development, lead generation, and international business. Proven ability to independently identify prospects, build initial contact via digital channels (LinkedIn, Email), and maintain rigorous CRM hygiene. Highly motivated, fast learner with full work authorization in Spain, fluent in English and Spanish, and eager to grow into a mature B2B sales professional within the global electronic components supply chain.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote.

- Searched for and organized potential B2B customer leads through LinkedIn Sales Navigator, data-scraping platforms, and structured search tools, sourcing over 500 target accounts.
 - Built initial contact with prospects through highly personalized email and LinkedIn outreach, successfully generating 5–10 qualified leads per week.
 - Maintained meticulously accurate customer information, follow-up records, and active lead tracking using CRM data systems (Salesforce, Apollo.io, HubSpot).
 - Continued following up consistently with prospects, inactive customers, and existing leads to move conversations forward and secure discovery meetings with senior executives.
 - Acted as a self-motivated B2B sales professional, learning complex business propositions rapidly to effectively communicate with international clients across the EU and US.
 - Managed technical outbound infrastructure (SPF, DKIM, DMARC) to ensure high deliverability and reliable communication with prospects.
-
