Professional Summary

Proactive and tech-savvy B2B Sales Development professional with a proven track record of discovering customer business objectives and building rigorous outbound pipelines. Fluent in English, Spanish, and Russian. Highly experienced in prioritizing commercial opportunities, running data-driven prospecting campaigns, and leveraging CRM platforms (Salesforce, HubSpot) to track complex B2B interactions. Eager to bring my disciplined opportunity management and proactive outreach skills to the Account Development Manager role at Wrike in EMEA.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (EMEA)

- Built and managed a comprehensive B2B outbound pipeline from scratch, discovering and evaluating the business pain points of 500+ corporate prospects (E-commerce and Home Services).
 - Designed, tested, and executed rigorous cold Email and LinkedIn sequences, successfully turning complex market research into highly qualified commercial opportunities.
 - Consistently generated 5–10 qualified leads per week and successfully converted outreach into 3 initial discovery meetings per week with C-level decision-makers.
 - Evaluated business objectives and pain points remotely during discovery stages, ensuring high-quality handovers and qualified introductions to technical agency partners.
 - Leveraged Salesforce and HubSpot to execute rigorous lead processing, prioritize commercial opportunities, and maintain accurate records of all prospect interactions.
 - Maintained strict sender domain health (SPF, DKIM, DMARC) to maximize deliverability and ensure professional, scalable communication with global knowledge workers.
