Professional Summary

Highly proactive Lead Generation Specialist and independent B2B Sales Agent with a strong track record of identifying decision-makers and executing structured outreach via Email and LinkedIn. Fluent in Spanish and English, and highly capable of targeting laboratory owners and procurement managers across the Spanish market. Eager to leverage autonomous pipeline management and rapid B2B prospecting to drive trial order requests for Zirconia Supply PPK on a commission-based model.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote

- Built and managed an end-to-end outbound lead generation system, operating as a fully independent, performance-driven B2B contractor.
 - Researched and identified target decision-makers across specific verticals, sourcing and qualifying 500+ prospects by extracting key contact data.
 - Executed high-volume, personalized outbound campaigns via Email and LinkedIn networking, distributing offers and generating a consistent 5–10 highly qualified leads per week.
 - Structured communication to efficiently present value propositions, successfully securing discovery meetings and trial evaluations with busy business owners.
 - Maintained a highly organized CRM pipeline (HubSpot/Salesforce) to track lead responses, follow up on introductory offers, and manage next steps effectively.
 - Set up scalable outbound infrastructure (sender domains, SPF, DKIM, DMARC) to ensure reliable deliverability for high-volume email campaigns.
-
